CHOWVIS

LOGO

The Basics

The Chowis Logo is a powerful symbol

Here are some rules
of the road when using our logo.

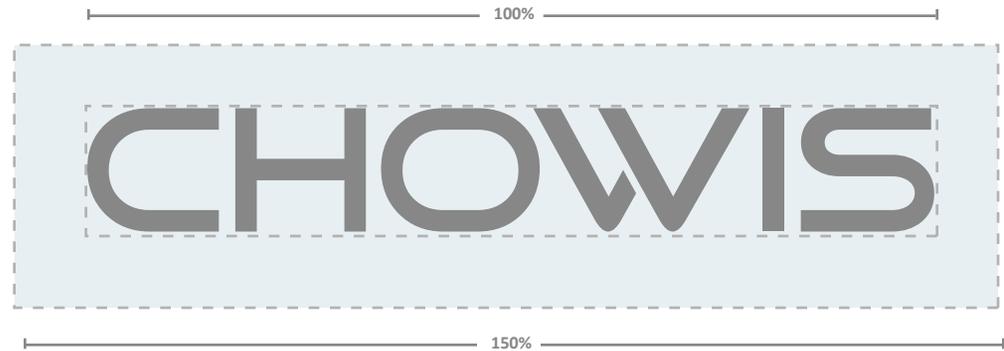

- Only show the logo in gray or white.
- Don't alter, rotate, or modify the logo.
- Don't animate the logo
- Don't surround the logo with other icons
- Don't overemphasize the logo.
- Don't use previous versions of the logo.
- Follow the clear space guidance in this document.

LOGO

Clear space and minimum size

When you're using the logo with other graphic elements, make sure you give it some room to breathe. The empty space around the logo should be at least 150% of the width of the logo. To ensure the logo maintains its visual impact, do not go any smaller than 16 pixels wide.

LOGO

Logo Application on Image

When placing the logo on an image, always use the white logo version.

For images with a light background, we suggest applying a 10-20% black opacity to the entire image to maintain legibility of the white logo.

And never show the Chowis logo in black or any other colors.

The logo is permitted to be displayed in black with prior permission from Chowis
